## Backcast Ann McMan

"I love Ann McMan."—Dorothy Allison, National Book Award finalist for *Bastard Out of Carolina*

When sculptor and author Barb Davis is given an NEA grant to pair original feminist sculptures with searing first-person essays on transitions in women's lives, she organizes a two week writing retreat with twelve of the best, brightest, and most notorious lesbian authors in the business. But in between regularly scheduled happy hours and writing sessions, the women enter a tournament bass fishing competition, receive life coaching from a wise-cracking fish named Phoebe, and uncover a subterranean world of secrets and desires that is as varied and elusive as the fish that swim the inland sea.

Set on the beautiful shores of Vermont's Lake Champlain, *Backcast* is richly populated with an expansive cast of endearing and outrageous characters who battle writer's block, quirky locals, personal demons, unexpected attractions, and even each other during their two-week residency. For Barb and each of her twelve writers, the stakes in this fast-moving story are high, but its emotional and romantic payoffs are slow and sweet.

Filled with equal parts laugh-out-loud humor and breathtaking pathos, *Backcast* serves up a sometimes irreverent, sometimes sobering look at the hidden lives of women, and how they laugh, love, lose, and blunder through their own search for meaning.

**Ann McMan** is the author of five novels, including *Jericho* and *Aftermath*, and two short story collections. She has won two Golden Crown Literary Awards and her novel, *Hoosier Daddy*, was a Lambda Literary Award Finalist.
