## **Hike to Heaven** Gary Martin

Following the tradition of classics like *The Pilgrim's Progress* and *The Great Divorce*, *Hike to Heaven* uses the drama of a journey to inspire faith and give insight into the Kingdom of God. A community healthcare van has crashed and its occupants are forced to escape for their lives. Those who survive all carry their own dark secrets, hurts and fears. During their journey through the New Zealand wilderness they are each given the chance to learn, make changes in their lives and to discover true freedom. As they enter deeper into the forest, the things they are learning will begin to challenge their emotional strongholds and they will be tested both physically and spiritually. During their ordeal they hear stories of people that have overcome horrific situations through faith in God. The testimonies of a child soldier from Sudan – a survivor from the killing fields in Cambodia and a woman rescued from a life of shame and regret – all share about God's transforming power, seeking to inspire faith and trust in the weary seekers. *Hike to Heaven* is an inspirational, gritty and sometimes humorous story showing how a loving God can heal broken people.
