Splendor Elana K. Arnold

***Splendor*, the stunning sequel to *Sacred*, is a story about changing friendships, family, romance, passion, the study of Kabbalah, and self-discovery.**

Sometimes the answers we seek aren't ours to find. . . .

Scarlett loves her boyfriend, the dashing, mysterious Will Cohen. But now he's gone east for college, and Scarlett is stuck home on Catalina Island. Senior year should be a breeze, but between dealing with her parents' separation and her wild best friend, Lily, things are off to a rocky start. And then there's Gunner. Dangerous, dark, ferociously attractive Gunner. Lily's potential *boyfriend*, Gunner . . .

Scarlett distracts herself by spending time with her horse and delving into ecstatic mysticism, a way to practice Kabbalah. Through this practice, she hopes to learn to control her emotions, and begin to make sense of her place in the world. But Scarlett's world is increasingly unrecognizable.

Are Lily and Scarlett becoming too different to stay friends? Is Will still the love of Scarlett's life, even though she has feelings for Gunner? Does being in love mean only being attracted to one person? The more Scarlett questions, the fewer answers there seem to be.

Praise for *Splendor*:

"As in Arnold's earlier *Sacred*, teens will gravitate toward Scarlett and her problems. Arnold has painted a very realistic picture of teenage girls and their conflicting emotions. . . . Fans of the first novel will appreciate continuing Scarlett's story and finding some closure with this sequel. Readers unfamiliar with *Sacred* will still be able to enjoy *Splendor*."—VOYA

Praise for *Sacred*:

"Will appeal to many teens, especially fans of the Twilight series."--*Booklist*

"Filled with tension and angst. . . . Readers will be looking for the next installment."--*School Library Journal*

"A poignant novel of loss and grief, but also of hope."--VOYA

From reader reviews:

Marcus Musick:

Book is to be different per grade. Book for children until adult are different content. We all know that that book is very important for all of us. The book Splendor has been making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The guide Splendor is not only giving you far more new information but also to get your friend when you really feel bored. You can spend your current spend time to read your book. Try to make relationship using the book Splendor. You never experience lose out for everything when you read some books.

Avis Zeiger:

Don't be worry when you are afraid that this book can filled the space in your house, you may have it in e-book way, more simple and reachable. That Splendor can give you a lot of close friends because by you considering this one book you have matter that they don't and make anyone more like an interesting person. This specific book can be one of one step for you to get success. This reserve offer you information that might be your friend doesn't understand, by knowing more than some other make you to be great men and women. So , why hesitate? We should have Splendor.

Clyde Harlan:

You can find this Splendor by look at the bookstore or Mall. Just viewing or reviewing it can to be your solve problem if you get difficulties to your knowledge. Kinds of this e-book are various. Not only simply by written or printed and also can you enjoy this book simply by e-book. In the modern era similar to now, you just looking from your mobile phone and searching what your problem. Right now, choose your current ways to get more information about your publication. It is most important to arrange yourself to make your knowledge are still update. Let's try to choose correct ways for you.

Andrew Hulbert:

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Splendor can make you sense more interested to read.
