When children's mystery writer Dana Thomas has recurring nightmares about a swimmer drowning in a race, she aims to change his fate. Her plan to remain objective makes a serious splashdown when she meets her "mission," a towering blue-eyed man with the best cut set of pectorals she's ever seen. Going incognito as a feeding station volunteer for FINA World Cup series races, Dana travels to Greece, Portugal, Honduras, and Tunisia to try to protect him. When heat between the pair sizzles, Dana falls hopelessly in love with this man destined to die. Elite swimmer and former Navy fighter pilot Jeff Dickson keeps dreaming he's drowning. Recently dumped by his long-time girlfriend, who found him too competitive, Jeff believes his driven personality and international travel schedule can't mix with love. When Jeff meets Dana, he's instantly attracted to her voluptuous body and mysterious personality. When Jeff learns she's been stalking him for weeks at swimming races, he decides she must be psycho. A series of fateful events before the final race lead Dana to believe her nightmare is about to unfold. Anticipating a dive-in and rescue scenario, Dana is shocked to discover that's only the beginning. Can she change the fate of the man she loves and survive?
