## **Upcountry** Robert Kimber

Kimber shares his adventures, misadventures, and reflections as a part-time farmer and fetcher of firewood, his struggles with recalcitrant sheep and aging tractors, the joys of roaming the hills with his dog, plunking for pickerel in the lily pads, savoring the echoes of silence in a sleeping Maine village. Like a good apple pie, these essays are a blend of the sweet and the tart, the aromatic and the astringent, seasoned with a dash of wit and self irony, these love letters to life upcountry are as crisp, fresh, and bracing as they are affectionate.
