Art Projects by Design: A Guide for the Classroom Del Klaustermeier

More than 120 classroom-tested art projects are at your fingertips with this resource. Arranged according to the eight design elements (e.g., composition, line, texture) and by grade level, these activities reference art history, and many are multiculturally based and curriculum integrated. While most use standard classroom art materials, some use more specialized equipment and media for educators seeking a more complex approach. The book is illustrated with actual student work. Grades K-8.
