Clarence Page

Pulitzer Prize winner Clarence Page is one of the most nationally recognized and highly regarded syndicated columnists in the country. His newest book commemorates the 30th anniversary of his column's first appearance in the *Chicago Tribune*. It is the first such collection, and a long overdue archive of his best work covering a wide range of topics. Page has been a broadcast mainstay for decades, and his column, which is featured in over 150 newspapers, provides keen insight on the day's most pressing issues. While Page is known for his liberal-leaning views, readers have always appreciated his unbiased approach in directing criticism across the political spectrum.

Culture Worrier: Selected Columns 1984–2014 brings Page's unique perspective within the African-American and political communities, and his wealth of fascinating experiential knowledge, to the foreground of our ongoing national dialogue. As a veteran media member who has lived through the transition from print's heyday to modern mobile publishing, from the Vietnam War through the wars in Afghanistan and Iraq, and from the Civil Rights movement to the election of Barack Obama, Page is one of the most revered and uniquely qualified commentators of our time.
