Identity and The Quartered Circle is an eclectic Wiccan discussion of the search for identity through the power of a cast circle and the four directions. The book defines the Circle as a container for magic. A chapter on psychological identity follows. From casting a circle to meeting the Elementals and winged spirits of faerie, the author leads the reader on a personal journey in consciousness. At its conclusion we can speak intelligently of merger with the Gods and Oneness and the reader can answer the big four questions: Who Am I, Why am I here, Where did I come from and Where am I going?
