Lily's out for change, and she's just the person to make it happen. When Lily is nominated for class president and wins, she's not just content having her picture in the yearbook along with the title. She puts her political 'might' into action! However, things aren't going according to 'the Lily plan,' and suddenly, a life in politics seems less appealing. Peer pressure and sudden inclusion in the in-crowd at school complicate things so that Lily has to learn the real meaning and use of the spiritual gift of leadership.
