## **Live From Mongolia: From Wall Street Banker to Mongolian News Anchor** Patricia Sexton

In 2006, author Patricia Sexton set out on a journey most of us have only fantasized about. She quit her job to pursue her dream. Thirty years old and a rising star at a Wall Street investment bank, Patricia wanted nothing more than to work as a foreign correspondent. So, that's just what she did, moving to Mongolia after landing an internship at the country's national TV station. Live from Mongolia follows Patricia's unlikely journey from Wall Street to Ulan Bator. Not only does Patricia manage to get promoted to anchor of the Mongolian news, she also meets some unusual people following unusual dreams of their own. There's the Mongolian hip-hop star who worked in London restaurants to make his dream come true or the French corporate exec now tracking endangered horses in the steppe. All this while Patricia is living with Mongolian Mormons, camping with nomads in the Gobi desert, and even crashing Genghis Khan's 800th anniversary party. But of course Patricia has her fair share of stumbles, including a brief return to Wall Street--even after meeting with the president of CNN. Live from Mongolia is the story of this ongoing journey--from a corporate career to a dream job Patricia hadn't even imagined she would land.
