Can the ghost of Nora's mother help her stop her dad from getting remarried?

It's been three years since Nora's mother died, and while she and her sister, Patsy, want her father to be happy again, they're not ready for him to remarry. They especially don't want him to marry "the Tooth"—the woman with the overbite who could soon be their stepmother.

While the girls try to upend their dad's relationship, they soon find themselves competing for the new guy at school. As Nora begins to feel more and more alone, she senses something strange . . . a laugh, a touch, even a kiss. And she knows exactly who they are coming from—her mother.
