Reforging a Forgotten History: Iraq and the Assyrians in the Twentieth Century Sargon Donabed
Were they simply bystanders, victims of collateral damage who played a passive role in its history? Furthermore, how have they negotiated their position throughout various periods of Iraq's state-building processes? This book details a narrative of Iraq in the twentieth century and refashions the Assyrian experience as an integral part of Iraq's broader contemporary historiography. It is the first comprehensive account to contextualize a native experience alongside the emerging state. Using primary and secondary data, this book offers a nuanced exploration of the dynamics that have affected and determined the trajectory of the Assyrians' experience in twentieth-century Iraq.
