**Trial Courts as Organizations** Brian J Ostrom, Charles W Ostrom, Roger A Hanson, Matthew Kleiman

Court administrators and judges have long acknowledged that culture plays an important role in the function of trial courts. *Trial Courts as Organizations* provides a comprehensive framework for understanding this organizational culture, along with a set of steps and tools to assess and measure the current and preferred culture.

The authors examine how courts operate, what characteristics they may display, and how they function as a unit to preserve judicial independence, strengthen organizational leadership, and influence court performance. They identify four different types of institutional cultures using a systematic analysis of alternative values on how work is done. Each culture is shown to have its own strengths and weaknesses in achieving values, such as timely case resolution, access to court services, and procedural justice. Accordingly, the authors find judges and administrators prefer a definite pattern of different cultures, called a "mosaic," to guide how their courts operate in the future.

**Connie Hockaday:**

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Trial Courts as Organizations can make you sense more interested to read.
