What Momma Left Me Renée Watson

How is it that unsavory raw ingredients come together to form a delicious cake? What is it about life that when you take all the hard stuff and rough stuff and add in a lot of love, you still just might have a wonderful life? For Serenity, these questions rise up early when her father kills her mother, and leaves her and her brother Danny to live with their kind but strict grandparents. Despite the difficulties of a new school, a new church, and a new neighborhood, Serenity gains strength from the family around her, the new friends she finds, and her own careful optimism. Debut author Renée Watson's talent shines in this powerful and ultimately uplifting novel.
