Convinced he has a greater chance to die—of boredom—at his desk job than he ever faced in narcotics, Las Vegas police sergeant Ron Yeager agrees to slip off the retirement track long enough to head up an undercover task force designed to combat the recent surge in auto thefts.

Then he meets his inexperienced team of officers, most of whom seem completely incapable of infiltrating the seamy underbelly of Sin City. In particular, Mackenzie “Mack” Hazard’s determination to wear her faith like a badge threatens to send Yeager’s blood pressure skyrocketing. And then there’s maverick Jesse Lunden, who thinks he’s learned all he needs to know in his three years of undercover work.

As Yeager gambles his reputation on transforming this group of egos and eccentrics into a force to be reckoned with, he stumbles onto a much bigger scheme than anyone expected. This could be the showstopper of their careers—if his back doesn’t give out first.

This second book in the Occupational Hazards series blends wacky characters, sincere faith, and surprising plot twists into one hilariously addictive read.
