Best friends Devin and Frankie hate reading, but getting trapped inside *Dracula* might change their minds

Devin and Frankie may be the best of friends, but they aren't the best of students. When they're busted for not reading *Dracula* with the rest of the class, their English teacher sends them to the library to mend books as punishment. As the friends fight about who has to mend *Dracula*, the book flies out of their hands and lands between the library's broken security gates. Suddenly, a gigantic crack appears in the wall, and Frankie, Devin, and the book are all sucked inside. When they land, they realize they're not in the library anymore; they're in *Dracula*!

To escape from the book, Devin and Frankie have to battle the bloodthirsty Count Dracula with the help of some new friends—and a little bit of garlic. But can they make it to the end of the story before becoming Dracula's midnight snack?
