Crossing Over: Facing the Challenge to Cross Over Into Your Promised Land Paul Scanlon

This book is the product of a journey. A journey that the leadership team and church family of Abundant Life Church in Bradford undertook in order to enter into and possess the "land" that God had promised them. At times the journey was costly and they were frequently misunderstood, but it was one that took them from being a comfortable, predominantly middle class, financially secure, "good" church, to being an outreach center to the local community and a resource center for Christians across the world. The many lessons they learned from their journey and subsequently shared with others have resonated with individuals and churches throughout the world. Now these principles are shared in this book for all who seek to draw inspiration, strength and encouragement to "cross over" their own "Jordan" - whatever form it takes - to escape the limitations of the past and embrace the fullness of God's purposes.
