Ferguson and Faith: Sparking Leadership and Awakening Community Leah Gunning Francis

The shooting death of Michael Brown in Ferguson, Missouri, reignited a long-smoldering movement for justice, with many St. Louis-area clergy stepping up to support the emerging young leaders of today's Civil Rights Movement. Seminary professor Leah Gunning Francis was among the activists, and her interviews with more than two dozen faith leaders and with the new movement's organizers take us behind the scenes of the continuing protests. *Ferguson and Faith* demonstrates that being called to lead a faithful life can take us to places we never expected to go, with people who never expected us to join hands with them. *Ferguson and Faith: Sparking Leadership and Awakening Community* is the first book from the partnership of the Forum for Theological Exploration (FTE) and Chalice Press.
