It's No Walk In The Park

If you really want to know what a "thrill ride" is, do what Sabrina does: take cousin Esmerelda to the amusement park! The rides and attractions aren't scary enough for pesky Esmerelda, so she conjures up her own fun -- by summoning real ghosts to the haunted house; creating giant, mutated insects to walk around the park alongside the costumed characters; and expanding the park's roller coaster so it takes its riders to the North Pole, New York City and back again, speeding through every imaginable hazard along the way!
