It doesn't get any hotter than this...

Seattle based shape-shifting succubus Georgina Kincaid gets her energy from seducing mortal men. Fortunately, she can have any man she wants—except the one she's in love with. Because unfortunately, her lovers always pay—with their souls...

Thanks to her foul mood over breaking up with bestselling writer Seth Mortensen, Georgina has been so wicked that Seattle's über-demon Jerome, decides to “outsource” her to a rival—and have her spy for him in the process. It's a chilly proposition, since she'll be exiled to the frozen north, aka Vancouver, leaving Seth and his new girlfriend to turn up the heat. But soon there's a bright spot...

When Jerome is kidnapped, all his immortals, including Georgina, mysteriously lose their powers—meaning there's nothing to keep her from getting down and dirty with Seth. Except his girlfriend, that is. Georgina will just have to deal with it, plus rescue her boss, contend with Jerome's amorous rival, and figure out if everyone involved is being played—or all hell will break loose...

Praise for Richelle Mead and her Succubus series...
