The Kitchen Sink

Tom Wells

The Kitchen Sink Tom Wells

An irresistibly funny and tender play about big dreams and small changes.

Amid the dreaming, the dramas and the dirty dishes, something has to give. But will it be Kath or the kitchen sink?

Things aren't going to plan for one family in Withernsea, Yorkshire. Pieces are falling off Martin's milk float as quickly as he's losing customers and something's up with Kath's kitchen sink. Billy is pinning his hopes of a place at art college on a revealing portrait of Dolly Parton, whilst Sophie's dreams of becoming a ju-jitsu teacher might be disappearing down the plughole.

This volume also includes the monologue Spacewang.

'This is one of the best new plays I have seen anywhere this year, and I cannot recommend it too highly.'
Charles Spencer, *Telegraph*

'Wells wrings more riches out of seemingly throwaway lines than a lot of writers manage in an entire play'
Evening Standard

From reader reviews:

Jennie Miller:

What do you about book? It is not important along? Or just adding material if you want something to explain what the one you have problem? How about your time? Or are you busy particular person? If you don't have spare time to perform others business, it is make you feel bored faster. And you have extra time? What did you do? Every individual has many questions above. They have to answer that question because just their can do which. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this The Kitchen Sink to read.

Loretta Claybrooks:

Spent a free time and energy to be fun activity to perform! A lot of people spent their free time with their family, or all their friends. Usually they doing activity like watching television, going to beach, or picnic inside park. They actually doing same every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? Could be reading a book might be option to fill your cost-free time/ holiday. The first thing that you will ask may be what kinds of publication that you should read. If you want to try out look for book, may be the publication untitled The Kitchen Sink can be very good book to read. May be it might be best activity to you.

Gary Askew:

Playing with family inside a park, coming to see the marine world or hanging out with close friends is thing that usually you may have done when you have spare time, subsequently why you don't try factor that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love The Kitchen Sink, it is possible to enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout guys. What? Still don't understand it, oh come on its called reading friends.

John Coffin:

Don't be worry should you be afraid that this book may filled the space in your house, you can have it in e-book technique, more simple and reachable. That The Kitchen Sink can give you a lot of good friends because by you considering this one book you have issue that they don't and make an individual more like an interesting person. This particular book can be one of a step for you to get success. This book offer you information that possibly your friend doesn't understand, by knowing more than additional make you to be great people. So , why hesitate? Let me have The Kitchen Sink.
