Gone but Not Lost: Grieving the Death of a Child David W. Wiersbe

We all expect our parents to precede us in death. No one expects to have to make their child's funeral arrangements. And the loss of a child brings with it a special and persistent manifestation of grief that can feel "like a stomachache that never ends."

Gone but Not Lost is a thoughtful gift for a family that has experienced the death of a child. Each of its brief chapters covers one element of grieving, bringing readers through sorrow and helping them deal with feelings of anger or guilt, as well as the marital strain that may follow the loss of a beloved child.
