2010 Reprint of 1908 London Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Ellen Gould White (1827 - 1915) was a prolific Christian author and one of the American Christian pioneers whose ministry was instrumental in founding the seventh-day Sabbatarian Adventist movement that led to the rise of the Seventh-day Adventist Church. Her involvement with other Sabbatarian Adventist leaders, such as Joseph Bates and her husband James White, would form what is now known as the Seventh-day Adventist Church. Ellen G. White is perhaps the most translated female non-fiction author in the history of literature, as well as the most translated American non-fiction author of either gender. Her writings covered theology, evangelism, Christian lifestyle, education and health. She advocated vegetarianism. She promoted the establishment of schools and medical centers. During her lifetime she wrote more than 5,000 periodical articles and 40 books. Today, including compilations from her 50,000 pages of manuscript, more than 100 titles are available in English. Her work on successful Christian living, "Steps to Christ", has been published in more than 140 languages.
