What Is This Study About?

The *Christianity, Cults & Religions* DVD-based study helps Christians know what they believe and why. By comparing Christianity with groups such as Mormons and Jehovah's Witnesses, people have a better grasp about what the Bible says about who Jesus is and the message of the Gospel. This six-session study simply explains the history, background, and beliefs of the most common world religions and cultic groups: Islam, Buddhism, Hinduism, Mormonism, Jehovah's Witnesses and other groups. Paul Carden, one of the most respected specialists in this field, has spent 30 years researching, writing and broadcasting on the topics of cults and new religions. He is the general editor of the best-selling cults comparison chart, *Christianity, Cults & Religions*. Carden presents an easy-to-understand comparison of the founder, date, location, history, beliefs, of each group. Carden also explains how to talk with people of other faiths in a way that will open them to the Gospel not turn them off. Participants will gain a solid Scriptural foundation for their own faith so that they can answer the questions of other groups - who is Jesus? What do we believe about God? What happens after death? How do the other religions view salvation?
