## **Concise Introduction to EU Private International Law: Second Edition** Michael Bogdan

The second edition of this concise book is an introduction to the rules of private international law that belong to the legal system of the European Union. It provides legal practitioners with an overview of this highly complex field of law, while also serving as an introductory textbook in elective undergraduate courses and master programs offered by many law schools. The book will be a useful spring-board towards more profound studies of statutory texts, case law, and legal literature.
