Whether you are old or new to the Book of Changes you will gain much from the practical advice contained in this in-depth, well-researched work. You will discover the Book of Changes is a mirror into yourself and as such, you will learn, through your own inner mirror, to 'know thyself'. In addition, you will find out about the workings of an ancient magic charm, in trigram form, also for the first time, which opens up possibilities that a magical formula lies within the Book of Changes.
