## **Get Weird!: 101 Innovative Ways to Make Your Company a Great Place to Work** John Putzier

This little book has a serious purpose: it is filled with dozens of easy, creative ways to recruit, retain, train, motivate and reward employees. The philosophy behind "Get Weird!" is lighten up, have some fun and make your company a "great" place to work. Included are 101 techniques for motivating, innovating and problem-solving, organized into logical components, such as: winning today' talent; the care and feeding of talent; changing a company's culture; rewarding through perks, pay and pats on the back; and enhancing your company image to customers and prospective talent. Readers should enjoy stimulating their own creativity by perusing and using some of these crazy ideas, for example: "get out of jail free" card; opportunity knocks; homecoming celebration; bozo filters; headhunters hostage pay; galloping gourmets; rock me baby!; chain letters; camp MED; and more. The need to recruit and retain good people remains the "key" for employers as unemployment remains at a 30-year low.
