To Your Dog's Health!: Canine Nutrition and Recent Trends Within the Pet Food Industry Mark Poveromo

Written by a man who is passionate about nature and all living creatures, this book contains everything readers could want to know about giving their dogs the best nutrition possible. Arguing that the processed dog foods on the market today ignore the health needs of most dogs, author Mark Poveromo--an expert in animal nutrition and owner of a dog and cat food store--provides readers with information on dog-food brands, holistic and raw dog foods, and recipes tailored to dogs with specific health issues, such as cancer or kidney disease.

Don't be surprised if *To Your Dog's Health!* makes you apologize to Fido or Fifi for all the years you just opened up any old can or bag of food, put it in a bowl, and left it for the day. And then you get upset, maybe even mad, when you got home from work, tired and maybe a little cranky, only to discover your pet hadn't touched its food.

To Your Dog's Health! just might be your wake up call.
