## The General Educator's Guide to Special Education

*The essential guide for teaching effectively in the inclusive classroom!*

The third edition of this handbook offers easy-to-implement ideas, recommendations, and answers to questions to help general education teachers provide top-notch support for all students. In addition to an all-new section that outlines the basics of the RTI model and intervention strategies, this resource covers:

- 13 categories recognized under IDEA 2004 for which students may be eligible to receive special education services
- A step-by-step explanation of the special education process
- Accommodations and modifications to help students access the general education curriculum
- The transition process for students with special needs
