The Third Man: Life at the Heart of New Labour Peter Mandelson

The number one bestselling memoir of one of New Labour's three founding architects, now with a revealing new chapter updating this e-book edition.

Peter Mandelson is one of the most influential politicians of modern times. 'The Third Man' is his story – of a life played out in the backroom and then on the frontline of the Labour Party during its unprecedented three terms in government.

Much of the book is devoted to the defining political relationships of Peter Mandelson's life – with Tony Blair and Gordon Brown. Charting what he terms the 'soap-opera' years of the Labour government, his book continues to ruffle feathers with an updated preface bringing the story up to the tempestuous present.
