Being as Communion: A Metaphysics of Information (Ashgate Science and Religion Series) Professor William A Dembski

In *Being as Communion* philosopher and mathematician William Dembski provides a non-technical overview of his work on information. Dembski attempts to make good on the promise of John Wheeler, Paul Davies, and others that information is poised to replace matter as the primary stuff of reality. With profound implications for theology and metaphysics, *Being as Communion* develops a relational ontology that is at once congenial to science and open to teleology in nature.
