Biopsy Interpretation of the Liver (Biopsy Interpretation Series) Michael Torbenson

This title, part of the Biopsy Interpretation Series edited by Jonathan Epstein, is a practical guide and bench reference for practicing surgical pathologists for the interpretation of liver biopsies. Each chapter follows the series format, which parallels and complements the normal diagnostic process, with key differential diagnostic features of specific tumors detailed within each category. It focuses on the practical, diagnostically useful information that is directly relevant to the practice of surgical pathology.
