Dedication Emma McLaughlin, Nicola Kraus

What if your ex was famous and adored by millions? What would you do if you had one chance to make him regret his entire existence? How much would you risk?

Kate Hollis's ex-boyfriend's face plasters newsstands and TV, the Internet, and the multiplex. Jake Sharpe is one of the biggest recording stars on the planet, and every song he's famous for is about Kate. For over a decade his soundtrack has chased her -- from the gym to the supermarket, from the dentist's office to the bars. Now thirty-year-old Kate gets the call that Jake has finally landed back in their Vermont hometown for an MTV special. The moment she has been waiting for has arrived.

On the eve of their prom, Jake Sharpe vanished, resurfacing when his song "Losing" -- about his and Kate's first sexual experience -- shot to the top of the Billboard charts. And the hits kept coming, each more personal than the one before.

Now Kate gets her chance to confront Jake and reclaim her past. But after eleven years of enduring protracted and far-from-private heartbreak, everyone in Kate's life has a stake in how this plays out. Kate must risk betraying the friends Jake abandoned, the bandmates whose songs he plundered, and her own parents, who fear this will dredge up a shared past more painful than any of them want to acknowledge. But after getting the call in the dead of night and jumping on a plane, can she turn back now?

Newsweek dubbed *The Nanny Diaries* "a national phenomenon" and the *New Republic* proclaimed, "Thank God for *Citizen Girl*." Now McLaughlin and Kraus have written a poignant, humorous tale about modern celebrity obsession and coming of age during the divorce boom. With flawless depictions of the 1980s, a charismatic heroine, and their signature biting wit, the authors offer up another lively and hilarious tale of a smart young woman looking for satisfaction in the chaos of contemporary culture.

From reader reviews:

Marie Heidelberg:

In other case, little individuals like to read book Dedication. You can choose the best book if you like reading a book. Providing we know about how is important some sort of book Dedication. You can add understanding and of course you can around the world by a book. Absolutely right, simply because from book you can recognize everything! From your country till foreign or abroad you may be known. About simple point until wonderful thing it is possible to know that. In this era, we could open a book or perhaps searching by internet device. It is called e-book. You should use it when you feel bored stiff to go to the library. Let's study.

Gina Dana:

This Dedication is great reserve for you because the content and that is full of information for you who else always deal with world and also have to make decision every minute. This kind of book reveal it facts accurately using great manage word or we can declare no rambling sentences in it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tough core information with wonderful delivering sentences. Having Dedication in your hand like keeping the world in your arm, information in it is not ridiculous one particular. We can say that no book that offer you world throughout ten or fifteen small right but this e-book already do that. So , it is good reading book. Hey Mr. and Mrs. occupied do you still doubt which?

Melissa Kim:

A lot of publication has printed but it is unique. You can get it by web on social media. You can choose the top book for you, science, amusing, novel, or whatever through searching from it. It is known as of book Dedication. Contain your knowledge by it. Without leaving behind the printed book, it can add your knowledge and make you actually happier to read. It is most essential that, you must aware about e-book. It can bring you from one destination to other place.

Norma Ochoa:

Reading a reserve make you to get more knowledge from that. You can take knowledge and information from your book. Book is created or printed or outlined from each source that filled update of news. Within this modern era like at this point, many ways to get information are available for you. From media social just like newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just in search of the Dedication when you required it?
