Edúcame despacio que crezco deprisa (Guías para educar) (Spanish Edition) Antonio Crespillo

Sacar tiempo para formarse, para salir de dudas y para leer sobre la educación de nuestros hijos es cada vez más difícil. Como padres y profesores queremos abarcar todas las facetas de su crecimiento y madurez, pero muchas veces nos falta el tiempo.

Por ese motivo, en este libro se recopilan una serie de puntos magistrales, ideas y conceptos claros, frases breves que hacen pensar sobre un amplio número de temas de la convivencia familiar: amor, adolescencia, libertad, sexualidad, matrimonio, etc. Casi a modo de tuits, estas reflexiones nos ayudarán en la urgente tarea de educar a los hijos y alumnos.

Antonio Crespillo Enguix, licenciado en Biología por la Universidad de Valencia, Doctor por la Universidad de Navarra y Licenciado en Psicología por la UNED. Lleva treinta años ejerciendo como profesor, tutor y asesor de familias. Actualmente desarrolla su labor docente en el Colegio Aitana de Fomento de Centros de Enseñanza.
