## **El juguete rabioso (Spanish Edition)** Roberto Arlt

El juguete rabioso es la primera novela del escritor Roberto Arlt, publicada en el año 1926 por la Editorial Latina.

Con esta obra Buenos Aires, la ciudad, se convierte, por primera vez, en el escenario de otra forma de contar, de ver, lejos de las estéticas dominantes de su entorno.

Con esta obra Roberto Arlt abre un nuevo espacio literario con influencia dostoievskiana y temática picaresca, y en él consagra el perfil de hombres que, sometidos por la pobreza y la continua pérdida de fe, sobreviven en las calles de las grandes urbes.

Silvio Astier es un personaje condenado a un vida mísera pero que sueña con un porvenir lleno de aventuras y fama. Aunque, al inicio de la novela, su único medio para sobrevivir es el robo, Silvio se aleja del ladrón común. Es un pícaro lleno de inacabable curiosidad intelectual, seducido por la ciencia y lector de Baudelaire.

El futuro que se dibuja para el protagonista de El Juguete Rabioso lo llena de desasosiego. «Baldía y fea como una rodilla desnuda es mi alma». A partir de aquí, se hace visible la transformación del personaje. La certeza de lo baldío y de la inutilidad del esfuerzo marcan la trayectoria existencial de Silvio.

Al final, el «juguete rabioso» determina que la víctima pase a ser el verdugo, y que el no ser prevalezca como única salida.

Para cualquier lector que conozca la vida de Roberto Arlt, no le pasará por alto las inocultables semejanzas entre el autor y su personaje.

«Había nacido para escribir sus desdichas infantiles, juveniles y adultas, lo hizo con rabia y con genio, cosas que le sobraban.»

Juan Carlos Onetti
