LIE Caroline Bock

Everybody knows, nobody's talking. . . .

Seventeen-year-old Skylar Thompson is being questioned by the police. Her boyfriend, Jimmy, stands accused of brutally assaulting two young El Salvadoran immigrants from a neighboring town, and she's the prime witness. Skylar is keeping quiet about what she's seen, but how long can she keep it up?

But Jimmy was her savior. . . .

When her mother died, he was the only person who made her feel safe, protected from the world. But when she begins to appreciate the enormity of what has happened, especially when Carlos Cortez, one of the victims, steps up to demand justice, she starts to have second thoughts about protecting Jimmy. Jimmy's accomplice, Sean, is facing his own moral quandary. He's out on bail and has been offered a plea in exchange for testifying against Jimmy.

The truth must be told. . . .

Sean must decide whether or not to turn on his friend in order to save himself. But most important, both he and Skylar need to figure out why they would follow someone like Jimmy in the first place.

From reader reviews:

John Moore:

Within other case, little folks like to read book LIE. You can choose the best book if you like reading a book. As long as we know about how is important the book LIE. You can add information and of course you can around the world by the book. Absolutely right, due to the fact from book you can recognize everything! From your country until foreign or abroad you will end up known. About simple factor until wonderful thing you may know that. In this era, you can open a book as well as searching by internet gadget. It is called e-book. You should use it when you feel uninterested to go to the library. Let's examine.

Betty Walsh:

What do you concerning book? It is not important with you? Or just adding material if you want something to explain what you problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everyone has many questions above. They should answer that question since just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is correct. Because start from on jardín de infancia until university need this kind of LIE to read.

Charles Barton:

Beside that LIE in your phone, it can give you a way to get more close to the new knowledge or data. The information and the knowledge you may got here is fresh from your oven so don't end up being worry if you feel like an previous people live in narrow village. It is good thing to have LIE because this book offers for you readable information. Do you often have book but you do not get what it's about. Oh come on, that won't happen if you have this within your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. Use you still want to miss the idea? Find this book along with read it from currently!

Fred Polak:

That e-book can make you to feel relax. That book LIE was colourful and of course has pictures on the website. As we know that book LIE has many kinds or genre. Start from kids until adolescents. For example Naruto or Detective Conan you can read and think that you are the character on there. Therefore , not at all of book are generally make you bored, any it offers you feel happy, fun and rest. Try to choose the best book for yourself and try to like reading this.
