Senior Style: Fashion-Forward Photography Techniques for Studio and Location Portraits

Teens want portraits that speak to who they are-, images in which they look their best from head to toe. So, how does a photographer go about creating trendy, “now” photos with style and substance, capturing the essence of the student, while pleasing their parents too?

Teen photography guru Tim Schooler paves the way to success as a teen photographer, showing you how to attract clients, build rapport, and plan for a session that pleases teens and parents. From there, he’ll present tips for location selection, incorporating props, and choosing flattering wardrobe options. You’ll also learn strategies for better lighting using natural light, studio lighting, and mixed lighting sources. Finally, you’ll learn how to enhance your portraits in postproduction, present your images, and close the sale. With myriad professional insights and 180 gorgeous images, readers will take away a new appreciation for the art and business of teen portrait photography.
