A BABY TO CHERISH

Home from the war, army nurse Thea Miller is determined to adopt her late sister's baby and begin a new life. But someone else has the same intentions—the town sheriff and Thea's old friend, Mack Worthington. Now, in order to keep her niece in the family, Thea must reach an agreement with him.

Mack isn't sure Thea—whose actions once hurt him badly—is committed to baby Sarah. And a judge may never approve a single-parent adoption for either of them. But what if they got married? It would be a marriage in name only. Yet the more time Mack spends with Thea, the more he begins to believe their pretend family can become the real one they've both been longing for.
